1 Introduction

1.1.1 The Post-Development Habitat Map illustrates the habitats present within the red line boundary as they will occur in the post-development scenario, categorised using biodiversity net gain habitat types.

1.1.2 We have included a summary of key information shown in this document in an accessible format. However, some users may not be able to access all technical details. If you require this document in a more accessible format please contact norwichwesternlink@norfolk.gov.uk
