1 Introduction

1.1.1 This document contains figures showing the locations chosen as part of the baseline watercourse survey. This survey has been used to inform the Biodiversity Net Gain assessment. The figures show the survey locations in relation to the Red Line Boundary of the Proposed Scheme and locations of watercourses.

1.1.2 1.1.2 We have included a summary of key information shown in this document in an accessible format in section 1.1.1. However, some users may not be able to access all technical details that are included in the rest of this document. If you require this document in a more accessible format, please contact norwichwesternlink@norfolk.gov.uk
