Transport Assessment – Appendix 15 – National Highways Proposed Scheme Layout Part 3 of 4

Author: WSP

Document Reference: 4.01.15

Version Number: 00

Date: March 2024

Contents

1 Introduction

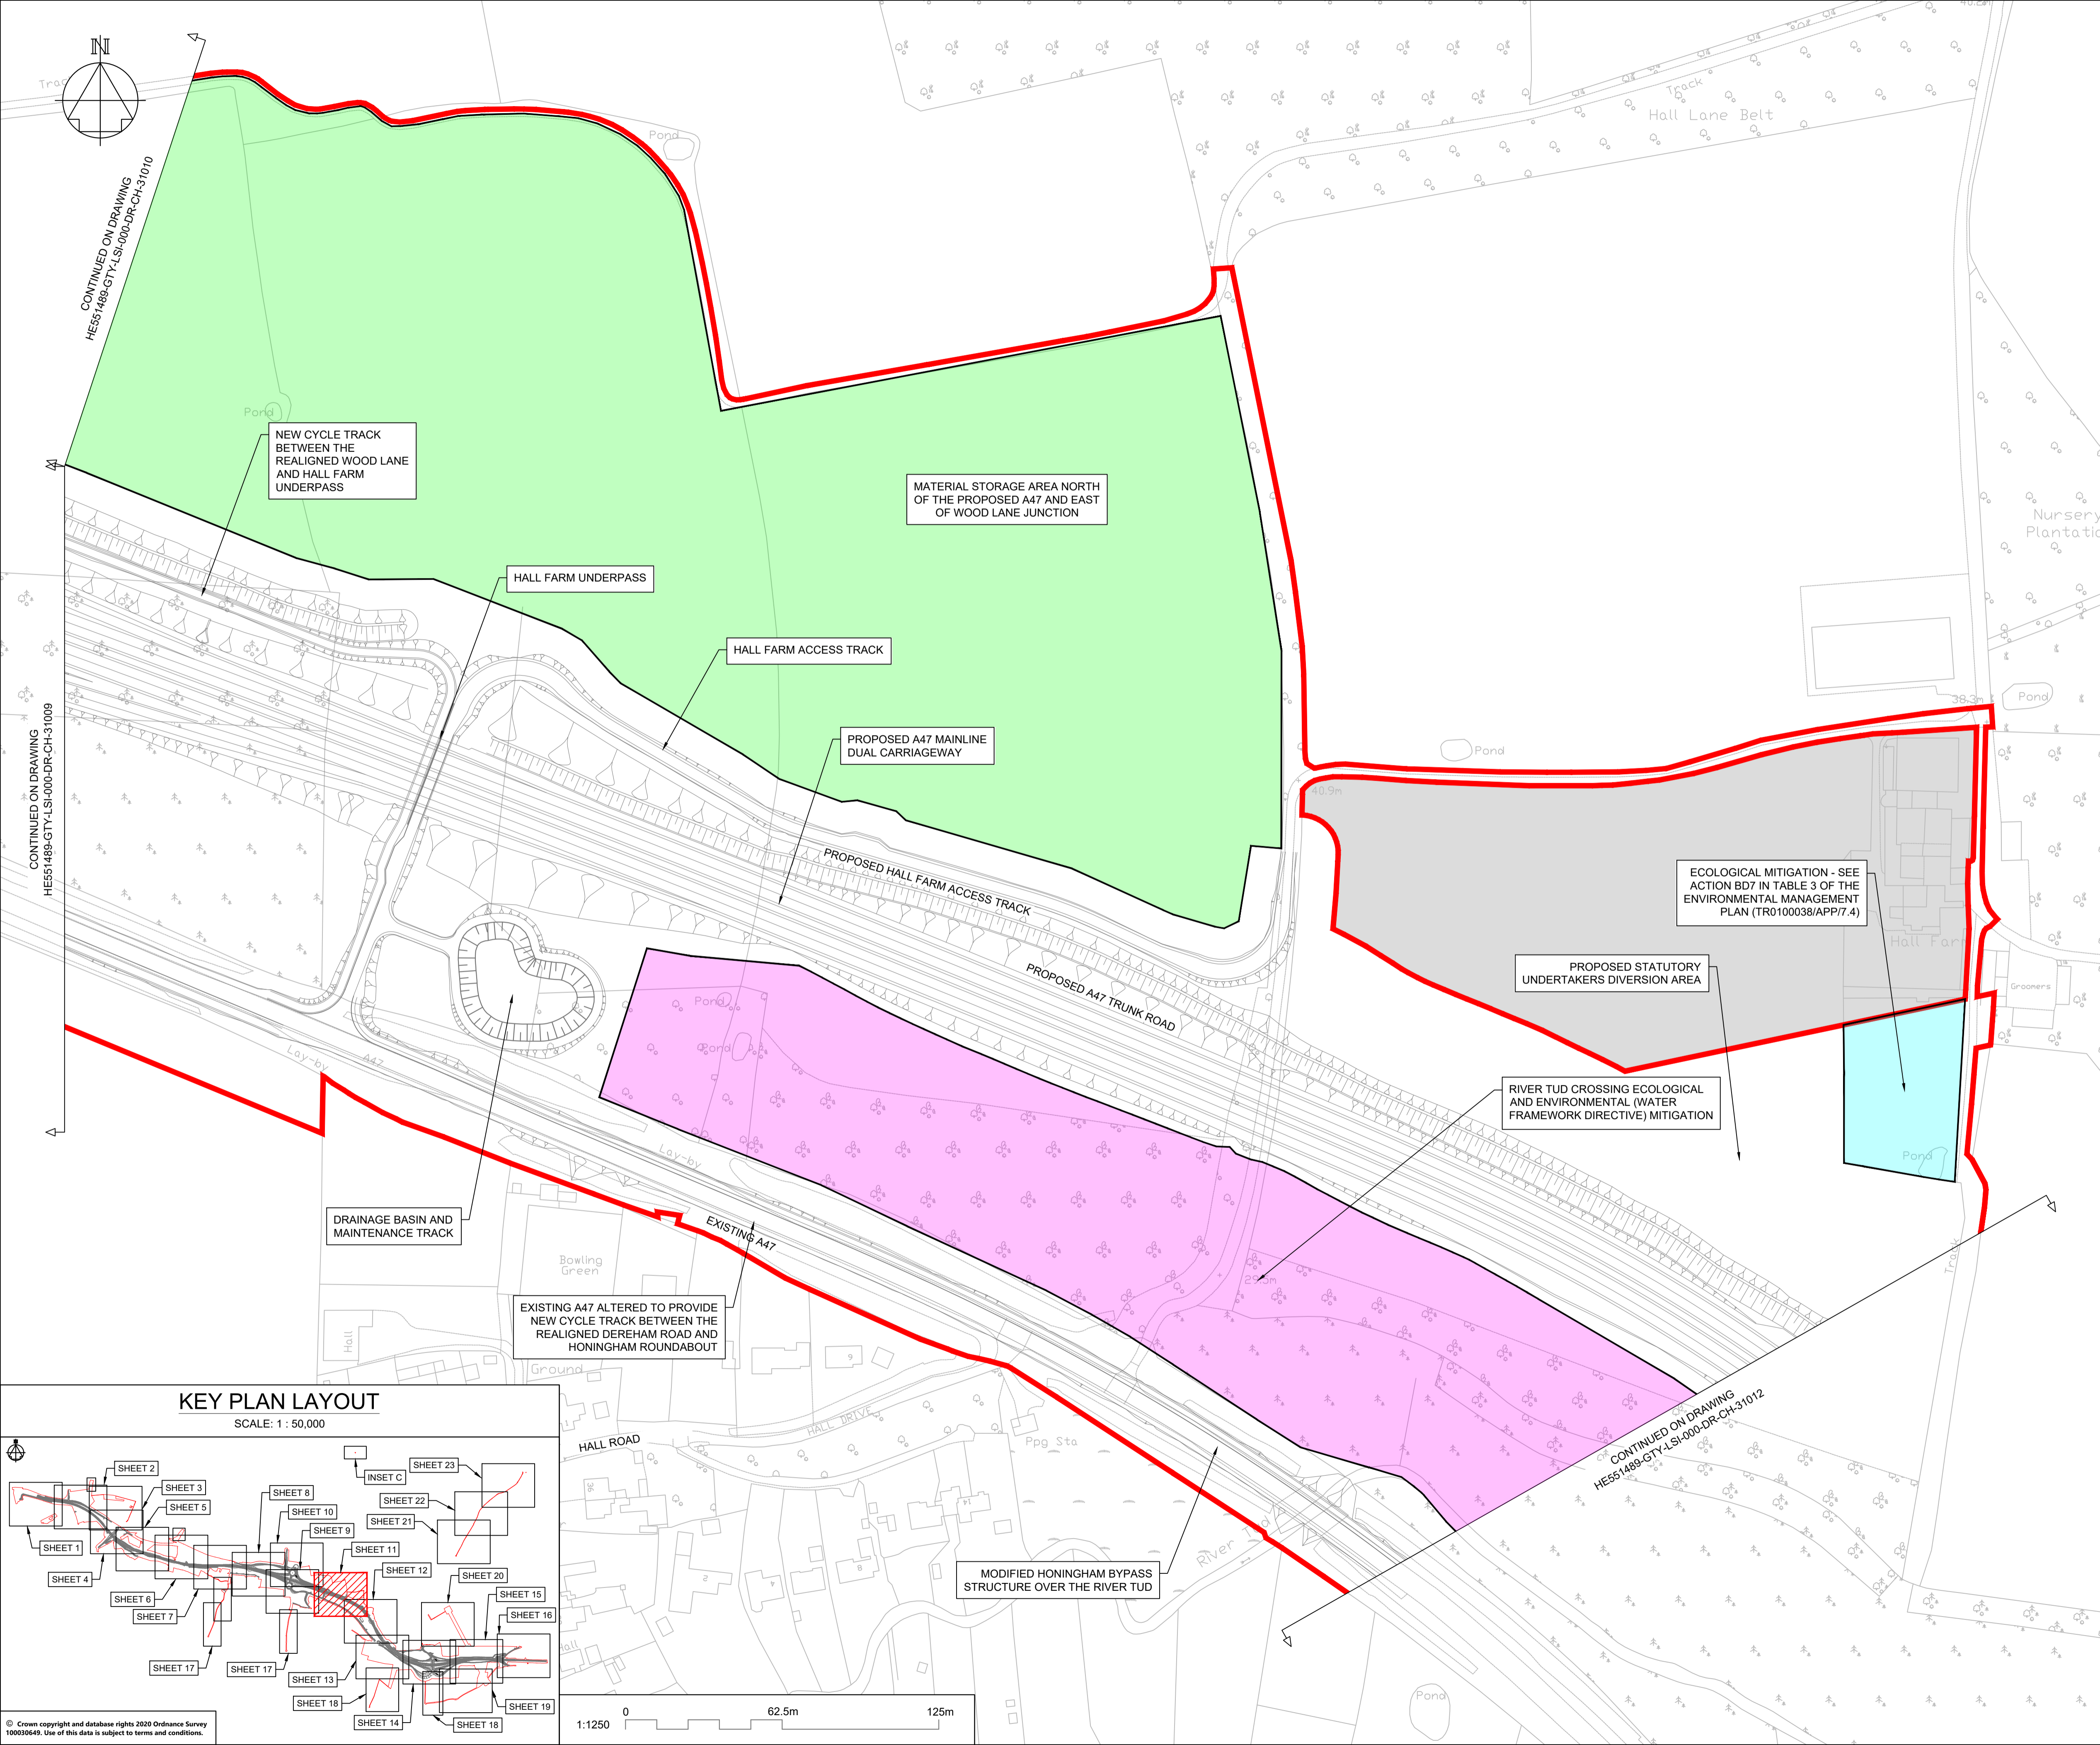

3

1 Introduction

- 1.1.1 The plans enclosed present the general arrangement of the A47 North Tuddenham to Easton Dualling Scheme proposed by National Highways. Firstly an overview plan is shown dated December 2020 which illustrates the full scheme extents.
- 1.1.2 This is followed by more detailed plans from the National Highways DCO application which was approved in August 2022. The plans include the point of connection between the Proposed Scheme and the Strategic Road Network, where a new grade separated junction would be constructed to replace the existing at grade junction of A47 with Wood Lane and Berrys Lane.
- 1.1.3 Other changes to the road layout and Non-Motorised User routes at the southern edge of the Proposed Scheme area also shown including a proposed underpass beneath the new A47 dual carriageway which would connect with the Non-Motorised User provision for the Proposed Scheme.

This drawing should not be relied on or used in circumstances other than those for which it was originally prepared and for which Sweco UK Ltd was commissioned. Sweco UK Ltd accepts no responsibility for this drawing to any party other than the person by whom it was commissioned. This drawing has been prepared on behalf of Galliford Try by Sweco UK Ltd for the titled project or named part thereof and should not be relied upon or used for any other project without an independent check being carried out as to its suitability and prior written authority of Galliford Try being obtained. Sweco UK Ltd accepts no responsibility or liability for the consequences of this drawing being used for a purpose other than the purposes for which it was commissioned. Any person using or relying on this drawing for such other purpose agrees, and will by such use or reliance be taken to confirm his/her agreement, to indemnify Sweco UK Ltd for all loss or damage resulting therefrom.
